

BAILEY ADAMO 75-4T 2024

Overview

£75,499

AVAILABLE NOW!

1ST YEAR RFL INCLUDED!

AUTOMATIC

Here we have a brand new on site Bailey Adamo 75-4T. On a Ford chassis with a 2.0Ltr 160BHP automatic gearbox. This is a 4 berth and 4 seat belt motorhome. At the front are two captain swivel seats which once turned around form a lovely communal area with the spacious front lounge. The two further travel seats are hidden under the lounge bench seats and are easily put into place once needed. The front lounge transforms at night into a double bed with the mechanical table providing support. There is a central kitchen complete with oven and grill as well as three gas hobs and a further electric. There is a vast sized tower fridge. The front and rear can be separated by two internal doors. This gives the rear bedroom a great deal of privacy. Through the first door is the bathroom comprising of toilet and basin on one side and separate shower on the other. Plenty of space in both. Through a further door is the rear bedroom with twin beds and plenty of storage. At the rear under the beds is a great sized garage which will fit bikes and all needed equipment. Please contact our family owned business for over 45 years for more information.
