The Izola is on a Renault Master chassis with a 6 speed manual 2.5L dCi 150bhp diesel engine. It has a rear transverse double bed over a large garage. There is access to the garage from inside the motorhome and also two large external access doors. The Adria Izola comes with a host of additional extras, solar panel, Omnistore awning, tow bar and a reversing camera with TFT monitor. The Izola has a mid kitchen with a wasroom opposite with seperate shower within. The kitchen has a large Thetford fridge/freezer, 3 gas burner hob and a Smev oven. The lounge area has plenty of storage and additional 2 seat belts. The table can be extended and the area also converts to the third berth. Additioanl features include, Status directional TV aerial, Thetford cassette toilet, Truma warm air heating, CD/radio, TV points, on board water tanks, 120 litre for fresh and 95 litre for waste.
