Swift Challenger Sport Caravan Feature List

- **Overview**

With modern styling and cutting edge interiors the Challenger Sport range provides outstanding value at weights that can be towed by most family cars.

- Comfortable and relaxed, professional designers have carefully coordinated the interior, which is flooded with light from the panoramic sun roof. The new 'Zimba' soft furnishings continue this

light and bright theme with a cream base fabric, earthy brown and duck blue accents. New 'Aralie Sen' woodgrain with an ashen brown hue and chrome sockets, switches and push button locker catches gives a more contemporary feel.

A choice of flexible seating and sleeping arrangements are made more comfortable with the 'Duvalay Duvalite' mattress on fixed beds. Kitchens and washrooms are well equipped and new features include a Dometic fridge with removable freezer compartment and a bi-fold shower door, which slides on tracks for improved use. It can also be locked down for transit. The Truma Combi boiler provides ample hot water and a solar panel fitted as standard gives greater independence.
