### ELEGANCE GRANDE

The new Elegance Grande extends the appeal of the flagship Elegance range to 8ft wide, offering luxurious interior living space. The all-new 6-berth, 655 layout comes with a clever pull down bed over the dining area.

### ELEGANCE GRANDE STYLE

One of the finest all season tourers around the Swift Elegance Grande is a true, no compromise, home from home.

The **New** Elegance Grande extends the appeal of the exquisitely refined Elegance range to 8ft wide, offering grand, luxurious interior living space.

Built using SMART 3 construction – the third generation of totally timberless SMART caravan construction, it features a **New** revolutionary floor construction and a lifetime water ingress warranty (Subject to T&Cs).

A sweeping, aerodynamic front panel, incorporates triple flush fitting opening windows and a panoramic sunroof. Stylish graphics, premium jockey wheel, bright LED road lighting and rear view camera are just some of the finishing exterior touches.

There are three models to choose from including the all-new 6-berth, 655 layout with a clever pull down bed over the mid dining area and the 635 which makes the most of the additional space by offering a larger washroom with more storage, an additional wardrobe and vanity unit in bedroom.

The luxurious interior is immaculately designed and cleverly detailed. The extra space allows for a wider central window and front chest which features a soft close drawer with concealed drawer inside. The Accuride bed make-up system makes it easy to convert the front seats into a huge double bed.

'Darwin' soft furnishings give a fresh look with contrasting woven and soft velvety textures. There is also a sumptuous leather option.

The domestic style kitchen is fitted with an innovative scratch resistant FENIX NTM<sup>®</sup> worktop, soft close drawers and doors, illuminated kitchen splashback and Dometic appliances including a high performance oven, and a spacious tall fridge in all models.

Fixed beds are topped with the ultra-comfortable Duvalay Duvalite mattress, exclusive as standard equipment to Swift.

Engineered to excite, the Swift Elegance Grande is one of the finest all season tourers around and a true, no compromise, home from home.

Well placed power, USB, and audio interfaces cater for your entertainment devices. The list goes on with luxury Alde central heating and clever design features in the well equipped washrooms, which all come with a radiator.

Boosting specification levels further is the enhanced Swift Command control system with a large 7", easy to use, LCD colour touchscreen control panel with improved functionality and app interface, featuring integrated DAB and FM radio tuning and sound setting control. The option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker provides added protection.

## [Elegance Grande Enhancements](#)
